Larry:

I've revised the ASAO again and added some marginal comments, including a request for you to explain why you wanted one change. I gave Leslie the revised SOW you sent last week, but haven't got a new revision to send you yet.

Thanks, Tom

Tom,

Please see attached the SOW with (i) comments on page 4 and (ii) suggested changes in the schedule on page A-2 of the Appendix.

The attached draft is redlined against the 4/30/15 draft you provided to me by your email dated May 4, 2015, which is copied in a few emails below for your reference.

My clients assert the usual reservations regarding approval of final drafts of the ASAO and SOW.

Regards,

Larry

Larry:

Thanks. I met with Leslie this morning. Yes, she's working here in the mornings for a while. She said she had not had any feedback or a markup of the SOW we sent you (05-04-15). Should we expect to see a markup this week?

Thanks, Tom

Tom,

Please see attached my latest draft edits to the ASAO for RI/FS for OU-1 and OU-2. The document redlines your 05-04-15 version after accepting your changes. Final approval of the language by my clients is reserved.

Feel free to contact me to discuss.

**Subject:** South Dayton Dump--revised ASAO and SOW

Larry:

Leslie and I have reviewed the revisions you offered us on the ASAOC and SOW. We have accepted some of your suggested changes and rejected others. We have also made some other minor revisions to the language used. I am attaching a clean copy of the SOW as Leslie revised it, including some of the changes you suggested. I am also attaching a copy of the ASAOC as I revised it, again, including some changes you suggested. I added a few small changes (in redline) based on comments from the State.

When you've had a chance to review the attached files, give me a call and we'll arrange a time to discuss what we need to do to get a signed ASAOC in the most expeditious fashion.

Thanks, Tom
